## First Analysis acted as the exclusive financial advisor to COPILOT in QHP Capital's investment in the company

**CHICAGO – January 10, 2023** – First Analysis acted as the exclusive financial advisor to COPILOT Provider Support Services, LLC, in QHP Capital's investment in the company. The terms of the transaction were not disclosed.

COPILOT is a leading provider of technologically advanced healthcare access solutions. Since its inception in 2010, COPILOT has partnered with pharmaceutical companies to help patients and providers navigate access to life-changing therapies and manage reimbursement challenges. The company's highly configurable proprietary technology platform bridges the gap between providers and patients by accelerating patient access to therapy, delivering real-time visibility, and driving improved treatment outcomes.

Dr. Moby Kazmi, President and Co-Founder of COPILOT, said, "Our mission at COPILOT is to help patients in need of specialty therapies overcome access hurdles and accelerate time to treatment. First Analysis understood the importance of finding a partner aligned with our mission. Their deep industry expertise and guidance were invaluable during the process and led us to a great partner in QHP." Nuaman Tyeb, CEO and Co-Founder of COPILOT, added, "First Analysis was instrumental in communicating our vision and empowering us to select the ideal partner for COPILOT's next phase of growth."

First Analysis focuses its advisory services on high-growth, entrepreneur-driven companies like COPILOT. The First Analysis team worked closely with the co-founders and management team to optimally position the company and find the best partner to help COPILOT to continue to achieve its objectives. First Analysis was actively engaged throughout the transaction process, including preparation, positioning, investor coordination and contact, due diligence and negotiation.
